

# Direction 11 – in respect of the Closing Statements relating to Glasgow IV

In terms of section 17 of the Inquiries Act 2005 (“the Act”), Lord Brodie (“the Chair”) of the Scottish Hospitals Inquiry (“the Inquiry”) directs that:

1. Section 5 paragraphs d), e) and f) of Direction 10 are updated to read as follows:
  - d) A written closing statement by Counsel to the Inquiry arising from Glasgow IV shall be submitted to the Solicitor to the Inquiry by 3pm on Friday **21 November 2025**.
  - e) Written closing statements on behalf of Core Participants who wish to make them arising from Glasgow IV shall be submitted to the Solicitor to the Inquiry by 3pm on Friday **9 January 2026**.
  - f) An oral hearing to hear final closing submissions in respect of the aspect of the inquiry that relates to the QEUH/RHC will take place on **3, 4, 5 and 6 February 2026**.
2. Core Participants are reminded that any question relating to whether witnesses are being asked questions to which Core Participants object or are not being asked questions that it is believed they should be asked, or any other issue relating about the conduct of the hearing must be drawn to the Chair’s attention at the time the issue arises or made the subject of a formal Rule 9 application.
3. Whereas Counsel to the Inquiry shall submit a written closing statement to the Solicitor to the Inquiry by 21 November 2025 for intimation to Core Participants and that Core Participants with leave to appear at the Glasgow IV hearing may submit written closing statement to the Solicitor to the Inquiry by 9 January 2026:
  - 3.1 These written closing statements must be formatted as Word documents which can be edited and formatted by the Inquiry for publishing purposes;
  - 3.2 Where passages of witnesses’ evidence are referred to or relied on they must be identified by the numbers of columns in the relevant transcript or paragraphs in the relevant witness statement;
  - 3.3 Where a document is referred to or relied on in these statements it must be identified by the numbers of the relevant bundle, volume (if applicable) and page or pages;

**Scottish Hospitals Inquiry – Direction 11 – in respect of the Closing  
Statements relating to Glasgow IV**

- 3.4 Where a Preliminary Position Paper (PPP) or a Core Participant's previous response to a PPP, is referred to or relied on, the relevant passage or passages should be identified by bundle, page and paragraph numbers;
- 3.5 Where a Core Participant refers or relies upon a document which they have already submitted to the Inquiry, but is not included in an existing Hearing Bundle, they must make reference to that document in the same terms as it was submitted to the Inquiry in order that it can be identified and accessed. Documents should not be resubmitted to the Inquiry;
- 3.6 Where a Core Participant wishes to refer to or rely on a document which has not been submitted to the Inquiry they may only do so with the leave of the Chair, on application having been made to him.
4. Whereas Core Participants may include in their written closing statements such references to evidence and submissions as they consider relevant to the Inquiry's Terms of Reference, the Chair would wish that:
  - 4.1 Where a Core Participant disputes the accuracy of the narrative or proposed findings set out in Counsel to the Inquiry's written closing statement, they identify the relevant passage or passages, and explain the basis of and reason for the dispute under specific reference to such documents and witnesses' transcripts or statements on which they rely;
  - 4.2 Where a Core Participant proposes that the Chair should adopt a narrative or make findings additional to what is proposed by Counsel to the Inquiry, they should set out such narrative or findings under specific reference to the documents and witnesses' transcripts or statements on which they rely;
  - 4.3 Where it is proposed that the Chair should, for whatever reason, disregard any evidence heard or considered by the Inquiry in the three Glasgow hearings or within PPPs relating to the QEUH/ RHC a Core Participant should set out clearly and explicitly which evidence should be disregarded and why the Chair should do so by reference to that evidence and any other evidence or reason that is relied on;
5. Counsel to the Inquiry shall include in their closing statement proposed findings in fact in respect of the Remit and Terms of Reference of the Inquiry and such recommendations they propose should be made as provided for in Term of Reference 13. Such findings in fact and recommendations should be based on the whole of the evidence heard by the Inquiry insofar as relating to the QEUH/ RHC. Core Participants who wish either to agree with or to challenge such proposed findings in fact and recommendations should set out and explain the basis of their adopted positions in their written closing statements.
6. In addition to submitting written closing statements, Core Participants with leave to appear at the hearing, and who have given notice of their intention to do, may, on **3 February 2026** and subsequent days make supplementary oral closing statements to the Chair. In respect of that oral hearing:

**Scottish Hospitals Inquiry – Direction 11 – in respect of the Closing  
Statements relating to Glasgow IV**

- 6.1 Core Participants wishing to make a supplementary oral closing statement must give notice of their intention to do so to the Solicitor to the Inquiry on or before **12 January 2026**. Such notice should set out the period of time sought for their statement noting the general intent being that no Core Participant oral closing statement should be longer than one hour. Requests for a longer period must include reasons for such a duration;
- 6.2 On or before **26 January 2025** those Core Participants who have given notice of their intention to make a closing oral statement will be informed of the time available to them;
- 6.3 Counsel to the Inquiry shall make an oral closing statement.

Lord Brodie  
Chair of the Scottish Hospitals Inquiry
